Universität Heidelberg is reaching out to alumni in North America and has established a Club in the US (HAUS) and in Canada (HACA) <http://www.alumni.uni-heidelberg.de/haca/index.html>. We started with initial meetings on the Canadian East Coast in Montreal and Toronto.

On May 23, Albert Fink, president of Heidelberg Alumni U.S. would like to share his experiences in building the alumni organization HAUS and establishing regional chapters south of your border. The Regional Chair for the Pacific Northwest John Barber will drive up from Seattle to establish neighborly relations.

We look forward to hearing from you and AI and John are looking forward to meeting you on May 23. Please spread the word if you know of other alumni or friends of Universität Heidelberg.

Please RSVP by May 20 to [info@heidelberguniversity.org](mailto:info@heidelberguniversity.org)

Herzliche Grüße,  
Irmintraud
