Heidelberg, June 2007

Dear Alumni, dear friends,

It has been quite a while since my last letter. Today I would like to update you about our plans for the establishment of the North American Alumni Club. But first let me say thank you for your positive remarks and your involvement in the search for other University of Heidelberg Alumni.

Plans for the „Liaison Office“ of the University of Heidelberg in the USA are coming along – it will most likely be located at the „German House,“ UN Plaza, New York. That’s why we are holding our first North American Alumni Meeting there. We would like to have the organizational meeting for the Club – which is scheduled to come to life in 2008 – with you and other interested Alumni in a workshop in August this year. We see this as a great opportunity to craft with you the mission statement of the North American Alumni Association of the University of Heidelberg.

We chose the 9<sup>th</sup> and 10<sup>th</sup> of August 2007 for this event. On the evening of August 9<sup>th</sup> 2007, the University of Heidelberg would like to hold a little reception for you and give you the opportunity to refresh old contacts and make new friends. The workshop will take place on August 10<sup>th</sup> 2007.

If you are interested in attending this meeting, please contact me by July 10<sup>th</sup> 2007. Unfortunately, we will not be able to cover any of your travel expenses. However, we were able to make reservations for a small number of rooms at the Millennium UN Plaza Hotel, NY (preferred price without tax appr. \$230).

Should you not be able to attend this meeting, please contact other Heidelberg Alumni and friends and tell them about this event. I am looking forward to your reply and send you all greetings from Heidelberg.

Yours truly,
